transforming lives for good...

*Dear Bro/Sis in Christ,*

*Greetings to you in Jesus most precious name!*

*At the outset I am glad to send out our Newsletter after a long gap. Due to many health issues and also the pandemic I could not communicate until now. I would like to inform you what's going on in our ministry and to share the prayer points and praise reports for the glory of God. Trust you all are doing good (despite the several challenges in your lives) through the immense grace of God.*

***Ministry Update:*** *Further to my previous Newsletter in July'19 upraising you about officially shifting to our own facility at Palgutta Village, Chevella Mandal, to the 2 kids I reported then, we added another 3 boys and continued our ministry work there. Otherwise we had about 19 boys and girls before that. At the end of Dec'19 the pandemic broke out and people were dying everywhere throughout our country and across the world and the mothers of our kids got worried and wanted their kids back. We have allowed them since the single mothers would have a sense of security to see their children in front of their eyes. I did inform our donors personally about the change in running the Children's Home. However, a severe shortage of funds began and almost all donors stopped supporting us as a result of the pandemic.*

***Children's Updates:*** *It is my joy to let you know that all our children, because of the foundation we laid on the Rock of Jesus Christ, are doing well. Majority of them have completed their 10<sup>th</sup> Standard and are in pre-university now. Some seniors are in their Graduation and pursuing their studies well. Some are working and are earning adequate salaries. Some are pursuing govt. examinations to get into government jobs. All those donations some of you have invested in the lives of these kids is giving us immense joy now with the children reporting their great welfare.*

*From time to time our Children (both girls and boys) do visit us and spend a day or two for a change and remember all the fun times they had while at our Children's Home.*

***Challenges we face:*** *Due to severe shortage of funds, with only about 6 people (you know who you are) supporting us with a total donations of Rs.17000/- per month, our expenses are about Rs.30000/- p.m., including the support to the HIV+ve Widows, salaries to the Watchman, Caretaker, Accountant and the regular bills we have to pay. We are able to support only 8 widows at the moment with great difficulty. But many widows keep approaching us to support them each month. Sadly we are unable to do that unless we get more support. Every single month my family fill up the deficit budget and the show is going on somehow with great difficulty.*

***Our work:*** *Since the children left, due to lack of funds we are unable to plan anything concretely. For any project to be started, finances are needed and we are praying for God's direction. On Sundays we are conducting Worship for our Watchman's family, the Caretaker, and few other watchmen from the neighboring farms who assemble for a time of prayer.*

*During the 1<sup>st</sup> year of pandemic, we raised support from some gracious donors and could reach out to almost about 4000 people with groceries, medicines, masks and other things as were needed. I have sent back the pictures to whoever donated at that time. Those who have donated knows that.*

*I most earnestly request you to uphold us in your prayers for God's guidance concerning this ministry He blessed us with and continue your support if you are led by the Spirit to carry on the Kingdom work. Should you have any concern regarding anything in this Newsletter, please do not hesitate to contact me or write to me about the same.*

*Please do respond to us with your opinions/suggestions if any. And we would be glad to consider that.*

*Dear brothers/sisters it is God's grace that He inspires you to support (prayer/cash/kind) and we are able to make a difference in the lives of the poor community at large. You are a part of this benevolence and will certainly experience God's blessings in due season.*

**Your help:** *If you are inspired and would like to support more helpless widows, you may write or speak to us. You'll find our web address, email, phone in the footer of this page.*

**Our sincere thanks:** *We sincerely thank and appreciate your contributions and gifts for the poor and the needy widows very much and assure you of our continued prayers. May God bless you immensely!*

**Our Invitation:** *The Bible says, "Pure religion and undefiled before God the Father is this, to visit the orphans and widows in their affliction, and to keep himself unspotted from the world" - James 1:27 KJV. We encourage you to continue your support to make a difference in the lives of many widows in the days to come.*

1. *You can support a widow with Rs.10000/- as a one-time support for a Vegetable Cart/Tea Stall.*
2. *You can support with just Rs.1000/- per month for the groceries of a poor widow.*

**Please pray for:**

*God's guidance for the future course of this ministry.  
God's provision of all the resources to support the Children and Women effectively.  
God to guide us in taking right and wise decisions concerning the ministry in the present days.  
More donors to come forward and expand the tents of this ministry.*

*In Christ,*
